Our Learning Community Values
Respect and Responsibility for All

Sept. 2017

Dear Parents/Guardians and Students,

Hello and welcome to a new school year at Suffield Middle School. We hope you are all rested and rejuvenated to start a new academic school year after a busy summer.

As we begin the school year, we would like to formally write a letter of introduction for the 2017-2018 academic year.

- **Tracy Scatolini** will be the Guidance Counselor for all students in grades 6-8 whose last name begins with A-L.
- **Tom Kadamus** will be the Guidance Counselor all students in grades 6-8 whose last name begins with M-Z.

The middle school experience can be an exciting time, but it can also be stressful. Our goal and primary role is to advocate for and assist all students, parents and guardians toward creating a smooth transition through the middle school years. Together we will help to ensure student success socially, emotionally and academically.

We are looking forward to a successful school year.

Please feel free to contact the Guidance Department at 860/668-3823 with any questions, comments or concerns. Thank you.

Very truly yours,

Tracy Scatolini
