ASHLEY EICHORN, Assistant Principal

Dear Parents and Students,

Welcome to the Eighth Grade!

Aug.3, 2017

The eighth grade year is an exciting year for students. Suffield Middle School administration and eighth grade teachers schedule a myriad of special events and experiences specifically for the eighth grade students as a culmination of their middle school experience. Some of the events include the following:

Bottle Rocket Launch
High Meadow Field Trip

Yearbook Celebration
Class Night

On another note generally the eighth grade teachers in each class typically require a pen or pencil, notebook, and a folder for keeping handouts organized. More specific requirements will come from individual teachers in the first few days of school. A general supply list is available on our web site.

This incoming eighth grade class will be the leaders of Suffield Middle School and as such will be the role models for the rest of the younger students. We are confident that this class will rise to the occasion and exemplify what it means to be positive and productive young adults. We look forward to a very successful school year. We are excited to meet you on August 31st, 2017 for the first day of school!

Sincerely,

The Eighth Grade Team:

Chad Allegro, Special Education
Diane Eggleston, Language Arts
Laura Magora, Mathematics
Brian McEvoy, Amer. History & White Team Leader
Jennifer Plourde, Science
Tyler Wolfson, Language Arts

Kelly Atkins, Special Education
Cindy Davis, Science
Sandy Hull, Mathematics
