Dear Parents and Students,

Aug. 3, 2017

Welcome to Suffield Middle School!

We hope you are enjoying summer. We are looking forward to a very successful school year and know you are too. The Sixth Grade teachers have high expectations for your child and as a team we will do all that we can to help your child achieve those expectations.

Through our team learning configuration, we are aware of what our students are learning in other classes, as well as, what assignments, tests, and projects are making demands on the students' time. The smaller team approach enables us to monitor a student's academic and behavioral performance from class to class, thereby helping us to develop a systematic and consistent approach to helping and interacting with each child.

We look forward to meeting your child on the first day of school. We know it is going to be a productive and enjoyable school year.

The sixth grade supply list can be found on our school website. If you have any questions please call the main office. See you August 31st, 2017 for the first day of school.

Sincerely,

The Sixth Grade Team:
