

Wingman Suffield On The Green

Welcome back to the 2017-18 school year! We are excited to start a new year of positivity and change at SMS. We are looking forward to our 2017 Kickoff Event on Thursday, September 28th, where we will officially launch the second year of Wingman at SMS.

Our first event of the year was one for the ages! On the 9th and 10th of September, the Wingman Flight Crew held its first booth at Suffield on the Green. At the booth, we had a demonstration of one of our team-building activities, the tin-can pass, which required attendees to pass the can around a circle using only their feet. This activity helps to build communication between peers. This, however, was not the biggest attraction of the booth.

Students from every school in Suffield flocked to the booth to have the opportunity to throw a pie into their teachers' and peers' faces. The pie in the face activity was a huge hit. We had kids being kids, kids pie-ing teachers, and parents pie-ing children! We even had an appearance by Superintendent Berasi, who helped us raise money to give someone the opportunity to pie her in the face. Overall, the booth raised over \$900 for the Wingman program, which will be put to good use during our Takeover Days and other recognition celebrations.

The Suffield on the Green event was a great way to start our school year, and we met with great success. We are looking forward to the year ahead, and to another opportunity at the green next year!
