(5) Student Activities

(h) Social Events/Meetings

The Suffield Board of Education believes that social activities in our schools assist students in learning how to enjoy worthwhile group events, how to conduct them, and how to contribute to the enjoyment of others. Therefore, school groups and classes may hold social events for their membership under authorization and staff supervision. The Board encourages the use of school facilities for social events.

School organizations holding dances and other social functions will provide for adequate police and fire protection as appropriate. Proper chaperoning shall be provided under direction of the principal.
